**District I Component of the AAE in Collaboration with the Edward C. Penick Endodontic Study Club**

**Date:** 15 April 2021

**Venue:** Go to Meeting

<b>Meeting Schedule:</b>	Log in and set up	6:00 - 6:10 PM
	Business Meeting	6:10 - 6:30 PM
	Lecture	6:30 - 8:30 PM
	Q & A	8:30 - 8:45 PM

**Speaker:** Dr. Ashraf F. Fouad

**Lecture Topic:** Contemporary perspectives on vital pulp therapy and pulp regeneration

**Lecture Outline:** The rise of interest and research on pulp regeneration provided renewed interest in vital pulp therapy, especially with the improved outcomes with tricalcium silicates. This presentation will provide information on the progression of knowledge and practice in this area, contemporary thoughts on pulp regeneration research and practice, as well as data on the use of multiple approaches for the treatment of the same tooth.

**Learning Objectives:** At the conclusion of this lecture, the participants should be able to:

1. Evaluate the available information on success of vital pulp therapy with different capping or pulpotomy materials.
2. Examine the validity of the term irreversible pulpitis.
3. Review recent data on the outcomes of regenerative endodontic procedures for cases with different etiologic factors and with different approaches.

**About the Speaker:** Dr. Fouad obtained his DDS, Certificate of Endodontics and MS at the University of Iowa. He served on the faculty at the University of Connecticut Health Center from 1992 – 2004, and as Chair of Endodontics, Prosthodontics and Operative Dentistry at the University of Maryland, from 2005 – 2015. From 2016 – 2019 he was the Freedland Distinguished Professor and Chair of Endodontics at the University of North Carolina and Vice Chair of the Comprehensive Oral Health Division from 2019-2020. He is currently Professor, Chair, and Director of Advanced Endodontics in the Department of Endodontics, at the University of Alabama in Birmingham.

Dr. Fouad has published over 90 peer-reviewed manuscripts, 22 textbook chapters, and over 130 abstracts. He edited and co-authored the textbooks: *Endodontic Microbiology* (now in its second edition) as well as the fifth and sixth editions of *Endodontics: Principles and Practice*. He is a Diplomate and Past President of the American Board of Endodontics, and an Associate Editor of the Journal of Endodontics. In 2017, he received the Distinguished Scientist Award from the Pulp Biology and Regeneration Group of the International Association of Dental Research.

**Speaker Disclosure:** In accordance with this policy, Dr. Fouad declares to have no past or present proprietary or relevant, financial relationship or receive gifts in kind (including soft intangible remuneration), consulting position or affiliation, or other personal interest of any nature or kind in any product, service, course and/or company, or in any firm beneficially associated therewith.

**Cancellation Policy, Meeting Fee, and Point of Contact:** All fees for this meeting are inclusive in your Penick membership dues. There is no penalty for canceling. If you have any further questions, please contact Julian Moiseiwitsch at [julian.rdm@verizon.net](mailto:julian.rdm@verizon.net)

There is no prerequisite for this course.

## **2 CE Hours will be awarded**

*AAE District 1 is an ADA CERP Recognized Provider approved by the American Association of Endodontists. ADA CERP is a service of the American Dental Association to assist dental professionals in identifying quality providers of continuing dental education. ADA CERP does not approve or endorse individual courses or instructors, nor does it imply acceptance of credit hours by boards of dentistry. District 1 designates this activity for 2 continuing education credits. Concerns or complaints about a CE provider may be directed to the provider or to the Commission for Continuing Education Provider Recognition at [ADA.org/CERP](http://ADA.org/CERP).*
