The Officers of the Penick Endodontic Study Club would like to welcome you to another year of exceptional continuing education. The Penick is one of America's oldest and largest endodontic study clubs. This year's program will continue the tradition of offering exceptional speakers delivering up to 10 hours of CE, and will provide opportunities to connect and network with a diverse group of professionals.

We apologize for the lateness of this notice, however in an effort to resume in-person meetings, the majority of this year's program will occur in the late winter / early spring in hopes that the environment will be more conducive to indoor group gatherings at that time.
